

Are you looking for the right musical group to lead a family or children's event?

A joyous, participatory concert celebrating the family, children, and the glory of God

Since 1993, John and Bonnie Wilkie have done more than 700 concerts in 26 states. Their unique style appeals to varied audiences, and every song includes some kind of audience participation.

“There are no words to express how uplifting our Sprout ‘N Shout service was and continues to be. I am hearing comments from every age group about how much the service of worship meant to different individuals. Your approach was differently refreshing and much fun.”
-Pastor Henry Payne, Belvedere, SC

“Both times you have performed you have lifted up the persons of God, Jesus Christ and the Holy Spirit in such a joyful and spirit-filled way! Your ministry of music and fun touch the hearts of people of all ages.”
-Rev. Julian Ford, Easley, SC

“My favorite songs are ‘I’m A New Creation’ and ‘Under My Feet.’ It is a lot of fun listening to your songs.”
-Kareem Zaki, child, Cincinnati, OH

“Your music filled our sanctuary with joy and love. Your message affirmed that life is worth celebrating. Our folks were so excited they could barely stay in their seats and some didn’t.”
-Chaplain Jim Liestman, Butner, NC

In a day of ever-changing trends, John and Bonnie’s message through music focuses on the timeless and *never-changing* truth of God’s love.

It’s not just having fun. It’s celebrating the love of Jesus.
